POLYPHANT CHAPEL and Community Centre
users Committee report that 65% of the recent survey forms
were returned and wish to thank all those who have
volunteered their help to organise/assist in activities at the
Chapel Hall. A copy of the survey analysis has been passed
to the Parish Council with a letter highlighting the trend
towards a population of younger families. Copies of the
survey are available at 30P each - Tel Owen Withers on
0156686337.

In brief: WI, Inny Vale Embroidery & Youth Club are set to
continue. Keep-fit, Aerobics & Slimming Club were strong
possibilities with leaders to match. Gardening & Cooking
were strong suggestions but no leaders - can we have some
volunteers for these courses? Computer Club was a popular
suggestion. A letter has been sent to Adult Education
Authority informing them of this and including a copy of the
analysis. Adult Education would like to use the Hall for
courses in 2001, they have suggested Computers, Cookery
and Craft but would consider any subject where there is
sufficient interest

Several other interests were expressed including Crafts.

Pottery (we do have a potter in the village) Flower

Arranging, Music Appreciation and Table Tennis.

The Committee concludes that it sees its role as facilitators.

Whenever a decision is made to run an activity it will be
independently run although a place will be offered on the
users committee.
