Parish History

I recently went, together with Carol Bunbury, for a meeting at Cornwall County records office to ask for help in setting up a history project for Lewannick Parish. The idea we put forward is to create a substantial historical resource on our website - www.lewannick.info. We will be seeking both professional and amateur help in researching: 1. Places of interest eg chapels, church, monuments, historical sites, private houses (with owner's involvement) etc. 2. People and family histories. 3. Snapshots of parish life. eg what was here in 1500 or 1900? Memories of the first and second world wars and how it affected life here, etc. 4. History by topic eg food and farming, quarrying and minerals. 5. An on-line museum of exhibits.

We hope to present this in a novel and imaginative way, making it is accessible to all, including children. Our plans were met with enthusiasm and it was suggested that we could hold an event in the Village Hall to get people interested, with representatives from the County Records Office, Cornwall Family History Society, The Cornish Studies Library and The Cornish Audio Visual Archive who would demonstrate to us the wealth of information and sources that are available to us. We plan to hold this in November. We understand there are grants available to help with costs, so the only other thing we need is your interest, help and enthusiasm! Watch this space. *David*

Lewannick Film Society

We are pleased to report that our adult film programme has been a great success and we are about to announce a new season of 12 monthly films commencing in October. Unfortunately we are having to phase out the regular 5pm films for children after September. Although we have a few devoted followers we are not getting enough support to cover the costs of the children's screenings. We will include one or two family films in our adult programme to which children will be welcome, and we hope from time to time to be able to put on special screenings for under 16s. This will be dependant on our finances and any sponsorship we can obtain.

The programme of films we are about to announce is based largely on the feedback you have given us. We try to make each film screening a sociable and relaxed evening out so please keep supporting us, keep telling us about films you'd like to see, and please try and increase our numbers by bringing a friend. Thank you!

LEWANNICK PARISH COUNCIL

Lewannick Parish Council – we met at Polyphant Village Hall on Wednesday 18 July. A warm welcome was given to our new Councillor Bernard O'Neil from Trevadlock. Bernard is keen on promoting the welfare of senior citizens and we look forward to working with him in this respect and, of course, for his ideas and support within our Council in the future. An inspection of the green was taken prior to our meeting commencing at 8pm. Planning matters that were supported – 2007/01207 Listed Building Consent for works to the roof Rose Cottage, Polyphant. Planning 2007/01343 erection of agricultural dwelling, Trevadlock Farm, Mr and Mrs E G Sleep – in principle we do support the erection of an agricultural dwelling, however, we have objected to the design, scale and elevated position of the proposed property. Furthermore, we consider that it would have a detrimental impact on the character of the village and surrounding environment.

In view of remarks received regarding the length of time allotted to the public at the commencement of our meetings we have consulted with the Cornwall Association of Local Councils who have advised us that we can, if we wish, allow ten minutes for members of the public to speak only on matters listed in the agenda. If, on occasion, a further amount of time is required, this must be agreed within the council. Therefore, we would ask members of the public with concerns to let the clerk have them prior to the monthly meeting in order that they can be put on the Agenda. This should also help us to solve problems quickly. The CALC also added that we must keep in mind that the work of parish councils has increased substantially and that our meetings should not last longer than two hours. A resolution has also been passed and agreed unanimously that we display the Agenda no less than three clear days before our meeting and it is displayed in one venue only in each of the villages, namely Lewannick Post Office and Polyphant noticeboard. The Agenda will also be displayed on our website.

The roads in Polyphant have been patched but we have spoken to Highways about the standard of the work as it has done nothing to enhance the green. We have also had a site meeting at Kelly's

House/Cottage. We have been told that the government has asked all county councils to work towards a uniformity on speed restrictions by 2010. In the meantime, we have suggested rumble strips, speed limits and signage. The visibility at the site is poor with difficult bends. The residents have to cross the road to the parking space which is set east of their properties.

We have had concerns raised regarding litter and in particular at holiday let/cottage destinations throughout the parish.

We are pleased that Steven Ford of CCC will be joining us prior to our next meeting on the 19 September to talk about ONE CORNWALL and we have a training session at the Town Hall, Launceston on Tuesday 24 July to discuss the Standards Bulletin No 34 and the adoption of the new code.

We have no meeting in August. Our next meeting will be on 19th September at Lewannick Village Hall commencing 8pm.

PLEASE NOTE: All members of the public are welcome to attend prior to the above meeting. There will be a presentation starting at 7pm about Cornwall's new **Unitary Authority** given by **Stephen Ford**.
