Win at British Championships for Polyphant horse-rider

On 1st and 2nd September, Polyphant resident Sally Ross and her riding partner Emma Wilson from Somerset competed at the BHS TREC Championships of Great Britain in Staffordshire.

After an eventful two days they ended up winning the L2 Pairs Championship by a margin of 1 point!

TREC competitors orienteer their horses across country by map and compass on Day 1, a challenge that tests both mental and physical skills. On Day 2 Control of Gaits and PTV (an obstacle course comprising 16 obstacles that you could expect to encounter riding across country) to be marked on both effectiveness and style. Both Sally and Emma have dedicated themselves to keeping their horses fit since coming 5th in the English championships in 2006. Sleepy local residents now know why a pony can be heard trotting up the hill at Hicksmill in the early dawn hours!

For information on TREC contact the BHS or www.trecsouthwest.com

Cornwall Senior Citizens Forum

North Cornwall Branch

Bernard O'Neil, Chairman of the Cornwall Senior Citizens Forum, North Cornwall Branch, based here in Lewannick, will be in London on 24th October to attend a rally and to lobby our MP, Mr Dan Rogerson, on behalf of pensioners in North Cornwall, to highlight pensioners' rights.

Our campaigning will show that pensioners can be a powerful group when they get together, especially when it comes to election time. Our MPs should take note that if they want to keep their jobs, they should do more for the older generation.

The Cornwall SCF was formed to promote the Welfare and Interests of all pensioners.

For further information phone Bernard O'Neil on 01566 782 992.

LEWANNICK PARISH COUNCIL

We met at Lewannick Village Hall on Wednesday 19 September at 8pm. Our meeting began with an informative discussion from our invited speaker Steven Ford, Policy Officer, Cornwall County Council.

We had one planning application for consideration, namely Application No 2007/01778, Charmwell Farm, Coombeshead for Mr S A Penhale. The application has our support. We had previously received a planning application 2007/01657, prior notification for the erection of agricultural building for the storage of farming equipment and fodder, Trelaske Mill, Lewannick for Mr R W Hills. This application also received our support.

For information application number 2007/01343 Erection of agricultural dwelling, Trevadlock Farm, Congdons Shop Mr and Mrs E G Sleep has been approved by NCDC.

There were issues raised regarding the condition of the patching of the road at the junction of Bowden Derra to the Green which was passed to the Area Surveyor/ Cormac. This has still not yet been addressed and we are in correspondence. We have had site meetings at Kelly's House/cottage and have requested traffic calming which has been added to the list for further consideration with our local member at the next review. We are in correspondence with regard to the junction adjacent to The Archer Arms and road markings for Lewannick together with speed safety signs and will keep you informed of developments.

Financially, now that we have been successful in our bid for funding through the Aggregates Levy, we have commissioned Mr Frain to fabricate and instal galvanized railing from the village hall, Lewannick to the War Memorial. We have also commissioned Taylor-Made Play Equipment to make a swing and walkway for the play area at Lewannick.

Finally may we remind residents with properties that join the highway to kindly ensure their hedges do not impede the visibility for drivers please.

Our next meeting will be held at Polyphant Village Hall on Wednesday 17 October. Our meeting will commence at 8pm. Members of the public are always welcome. Publication of our Agendas will take place no later than three clear working days prior to our meetings and will be displayed at Polyphant Noticeboard and Lewannick Post Office. Copies of our Minutes will be displayed at Polyphant Noticeboard and Lewannick Post Office following our meeting and, of course, can be downloaded from our website: www.lewannick.info

The weather

The rainfall at Trelaske for the period 23/08/07 to 22/09/07 was only 9.7 mm (0.38in). Rain fell on only eight days in this period. This is the driest I have recorded for this period since I started in 1982. 2003 was a close second. *Robert Ashford*
