

Lewannick, Polyphant & Trevadlock Newsletter

Hi everyone I would like to introduce myself as the new Editor of the Parish Newsletter and to tell you a little about myself. Last year I moved down from the Derbyshire Dales with my partner, Andy, two guinea pigs and an aquarium full of fantails to this beautiful part of Cornwall and I'm so glad I did! I have lived and worked in Zambia and New Zealand and at present I teach computing at a local college. My great passion is art and crafts — I create items from recycled wood and stained glass and I also paint in oils and acrylics.

Well, that's enough of me — I would like to hear from you. I do hope you find the next generation of newsletters interesting and informative. Thank you, David, for your help and guidance and if I have spelt anybody's name incorrectly, I do apologise and I hope you'll put me right.
